**Hole Diameter:**

0.266 inches

**Edge Shape:**

Dee

**Center Hole Shape:**

1 round

**Overall Diameter:**

0.560 inches

**Special Features:**

Off center id. Radius 0.360 in. Centerline to outside edge

**Material:**

Aluminum alloy

**Material Specification:**

Bs 1490.L-25m national specification single material response or bs 1490.S07-1008 10g national specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A022b0
