**Thread Direction:**

Left-hand

**Nut Style:**

Hexagon

**Thread Series:**

Iso m

**Thread Size:**

10.0 millimeters

**Thread Pitch In Millimeters:**

1.25

**Bearing Surface Type:**

Flat

**Thread Tolerance Class:**

6h internal

**Special Features:**

One bearing surface machined flat

**Material:**

Steel

**Material Specification:**

Ss41, jisb0205 national specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A021a0
