Hole Diameter:

Between 1.250 inches and 1.255 inches

Outside Diameter:

2.250 inches

Overall Height:

0.545 inches

Special Features:

Serrations on bearing surface, projection other side 0.580 in. Lg

Material:

Steel comp xm-13

Material Specification:

Ams 5629 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
