Material Thickness:

Between 0.212 millimeters and 0.288 millimeters

Mating Member Diameter Accommodated:

3.5 millimeters

Nut Style:

Push on

Nut Diameter:

Between 8.45 millimeters and 8.95 millimeters

Special Features:

Hardness rockwell 30n 58.0 min and 68.0 max

Material:

Steel comp 1050

Surface Treatment:

Phosphate

Surface Treatment Specification:

Gm 4435-m, code a, fscm 11862 mfr ref single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A021a0
