Hole Diameter:

0.531 inches

Outside Diameter:

1.250 inches

External Prebent Key Length:

0.250 inches

External Prebent Key Width:

0.156 inches

Material Thickness:

0.064 inches

Material:

Steel

Material Specification:

Bss 1449 en2 fscm k7766 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
