Hole Diameter:

Between 0.315 inches and 0.320 inches

Thickness:

Between 0.048 inches and 0.052 inches

Overall Diameter:

Between 0.435 inches and 0.438 inches

Special Features:

Split entire item 0.094 in. Wide

Material:

Steel comp 410

Material Specification:

Qq-s-763 cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
