**Hole Diameter:**

Between 0.315 inches and 0.320 inches

**Thickness:**

Between 0.048 inches and 0.052 inches

**Overall Diameter:**

Between 0.435 inches and 0.438 inches

**Special Features:**

Split entire item 0.094 in. Wide

**Material:**

Steel comp 410

**Material Specification:**

Qq-s-763 cond a federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A022b0
