Hole Diameter:

0.375 inches

Criticality Code Justification:

Zzzy

Material:

Steel

Material Specification:

Ff-w-84 federal specification single material response

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
