Cross Sectional Shape:

Err-090

Edge Shape:

Err-090

Center Hole Shape:

Err-090

Thickness:

0.030 inches

Overall Diameter:

0.500 inches

Criticality Code Justification:

Zzzy

Material:

Plastic polytetrafluoroethylene

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
