Hole Diameter:

Between 1.250 inches and 1.255 inches

Shoulder Diameter:

1.500 inches

Outside Diameter:

2.500 inches

Shoulder Height:

Between 0.177 inches and 0.187 inches

Material Thickness:

0.312 inches

Product Name:

Navy special project

Material:

Plastic acetal and plastic polytetrafluoroethylene

Style Designator:

Shouldered

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
