Hole Diameter:

Between 0.380 inches and 0.385 inches

Outside Diameter:

1.250 inches

Overall Height:

0.312 inches

Recess Diameter:

1.000 inches

Recess Depth:

0.062 inches

Surface Finish:

63.0 microinches top

Material:

Steel comp 304

Material Specification:

Qq-s-763, cond a federal specification single material response

Style Designator:

Recessed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
