**Cross Sectional Shape:**

Rectangular

**Edge Shape:**

Round

**Center Hole Shape:**

1 round

**Criticality Code Justification:**

Zzzy

**Material:**

Copper alloy

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A022b0
