**Overall Distance Including Keys:**

1.770 inches

**Material Thickness:**

0.063 inches

**End Application:**

F-15 acft

**Criticality Code Justification:**

Feat

**Special Features:**

Wpn sys f-15. Item is not csi but has critical features such as heat treatment, surface finish, or material type and special inspection reqs. Such as magnetic particle insp or fluorescent penetrant inspection

**Material:**

Aluminum alloy 2024

**Style Designator:**

Key

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A022b0
