Overall Distance Including Keys:

1.770 inches

Material Thickness:

0.063 inches

End Application:

F-15 acft

Criticality Code Justification:

Feat

Special Features:

Wpn sys f-15. Item is not csi but has critical features such as heat treatment, surface finish, or material type and special inspection reqs. Such as magnetic particle insp or fluorescent penetrant inspection

Material:

Aluminum alloy 2024

Style Designator:

Key

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
