Material:

Steel comp 302 and steel comp 304 and steel comp 321 and steel comp 347

Material Specification:

Ams 5516 assn standard single material response and ams 5513 assn standard single material response and ams 5510 assn standard single material response and ams 5512 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
