Hole Diameter:

0.192 inches

Outside Diameter:

0.625 inches

Overall Height:

0.099 inches

Material Thickness:

0.016 inches

Environmental Protection:

Corrosion resistant

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Surface Treatment:

Chromate

Style Designator:

Finishing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
