# Cross Sectional Shape:

Err-090

# Edge Shape:

Err-090

## Center Hole Shape:

Err-090

# Diameter:

0.259 inches

#### Thickness:

0.062 inches

#### **Overall Diameter:**

0.394 inches

#### Criticality Code Justification:

Zzzy

#### Material:

Plastic polytetrafluoroethylene

# **Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications **Shelf Life:** 

# N/a

Unit Of Measure:

### --

Demilitarization:

No

#### Fiig:

A022b0
