Width:

Between 1.735 inches and 1.765 inches

Thickness:

0.040 inches

Nut Quantity:

4

Special Features:

4 holes with 0.213 min in. Diameter and 0.216 maximum in. Dia

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0
