Criticality Code Justification:

Zzzy

General Description:

Material: al-bronze astm-3-150, form: bar, clean per mil-std 767, no of teeth: 18, fscm: 59042, drawing: 926b872

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Mil-std (military Standard):

spec.
