Hole Diameter:

0.500 inches

Outside Diameter:

0.750 inches

Overall Height:

Between 0.080 inches and 0.100 inches

Material Thickness:

0.005 inches

Product Name:

Navy special project

Material:

Copper alloy

Surface Treatment:

Phosphate

Style Designator:

Spring tension

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
