Hole Diameter:

Between 0.312 inches and 0.320 inches

Outside Diameter:

Between 0.435 inches and 0.485 inches

Material Thickness:

Between 0.018 inches and 0.022 inches

Material:

Plastic polyhexamethylene adipamide

Material Specification:

L--p-410, y/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
