Hole Diameter:

Between 2.120 inches and 2.130 inches

Outside Diameter:

Between 2.420 inches and 2.430 inches

Overall Height:

0.120 inches

Material Thickness:

0.032 inches

Product Name:

Navy special project

Material:

Steel comp 631

Material Specification:

Ams 5529 assn standard single material response

Specification Data:

99193-11728 manufacturers standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
