Hole Diameter:

Between 1.880 inches and 1.900 inches

Outside Diameter:

Between 2.120 inches and 2.130 inches

Overall Height:

0.420 inches

Material Thickness:

0.020 inches

Product Name:

Navy special project

Material:

Steel comp 631

Material Specification:

Ams 5529 assn standard single material response

Specification Data:

99193-117282 manufacturers standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
