Hole Diameter:

Between 0.110 inches and 0.115 inches

Outside Diameter:

0.4375 inches

End Application:

Actuator, mechanical 1680-00-760-0654; p-3 aircraft

Material:

Plastic polyamide

Material Specification:

Mil-p-17091, type 1 military specification single material response

Style Designator:

Saddle

Specification Data:

36659-928441 manufacturers standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0

Mil-std (military Standard):

Mil-p-17091 spec.
