Hole Diameter:

Between 1.2510 inches and 1.2516 inches

Thickness:

Between 0.030 inches and 0.035 inches

Overall Diameter:

Between 1.724 inches and 1.734 inches

Material:

Steel comp xm-13

Material Specification:

Ams 5629 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
