Hole Diameter:

Between 0.316 inches and 0.321 inches

Recess Diameter:

Between 0.376 inches and 0.436 inches

Material Thickness:

0.187 inches

Recess Angle:

100.0 degrees

Special Features:

Rectangular style, 0.750 in. Width; 1.000 in. Length

Material:

Steel comp 321

Material Specification:

Qq-s-763 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
