Hole Diameter:

0.875 inches

Outside Diameter:

1.836 inches

Material Thickness:

0.248 inches

Product Name:

Navy special project

Material:

Copper alloy

Material Specification:

B11g34a cagec 03502 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
