Inside Diameter:

0.625 inches

Length:

Between 1.015 inches and 1.045 inches

Center To Center Nut Spacing Along Length:

0.719 inches

Nut Quantity:

4

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response

Surface Treatment:

Nickel

Surface Treatment Specification:

Mil-c-26074 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0

Mil-std (military Standard):

Mil-c-26074 spec.
