Nut Style:

Hexagon

End Application:

Ctfgl pump

Thready Qty Per Inch (tpi):

13

Thread Size:

0.500 inches

Product Name:

Navy special project

Material:

Nickel alloy

Material Specification:

Qq-n-281 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0
