Hole Diameter:

1.985 inches

Shoulder Diameter:

2.040 inches

Outside Diameter:

2.520 inches

Special Features:

5 lock wire holes 0.044 nom diameter on a 45 degree angle

Material:

Steel comp 4340

Material Specification:

Ams 6414 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
