Nut Mounting Provision:

Countersunk holes

Material:

Steel comp 1050

Surface Treatment:

Cadmium and disulfide molybdenum

Supplementary Features:

Thread profile iso 68 and mj minor diameter; tolerances iso 965/1; class 4h5h; tensile strength is based on 1100mpa; sizes 050 and larger will accept 0, 5 oversize bolts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0
