Hole Diameter:

0.532 inches

Outside Diameter:

1.125 inches

Overall Height:

0.130 inches

Special Features:

Suitable to seal 0.500 in. Bolt

Material:

Steel comp 304 body

Material Specification:

Astm-d-2000 assn standard single material response sealing element

Style Designator:

Concave

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
