Thread Direction:

Right-hand

Overall Height:

0.125 inches

Nut Style:

External tooth

Width Across Flats:

0.312 inches

Thread Series:

Iso m

Thread Size:

4.0 millimeters

Thread Pitch In Millimeters:

0.70

Product Name:

Nut, self-locking, hexagon

Special Features:

Ts or ys rating: 90000 psi; type: self-locking; locking feature: external tooth lock washer

Material:

Steel

Surface Treatment:

Nickel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A021a0
