Hole Diameter:

0.300 inches

Outside Diameter:

0.950 inches

Recess Diameter:

0.625 inches

Material Thickness:

Between 0.060 inches and 0.070 inches

Special Features:

2 holes equally spaced-dia .170-.180

Material:

Steel comp xm-12

Material Specification:

Ams 5862 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
