Hole Diameter:

Between 1.703 inches and 1.707 inches

Thickness:

0.275 inches

End Application:

2350-01-436-0005; armored reconnaissance-airborne assault vehicle: wsd; bradley

Special Features:

Irregular shape, 4 mounion holes at corners

Material:

Iron

Material Specification:

Astm b 388, type t-2 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
