**End Application:**

Sub atmosphere control

**Special Features:**

Size 0.380 in.

**Material:**

Nickel alloy 625

**Material Specification:**

Astm-b446 gr. 1, alloy 625 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A022b0
