Overall Diameter:

1.750 inches

End Application:

Marinehardwareandhulldoors

Special Features:

Lockwasherattacheshearpin

Material:

Steel

Material Specification:

Mil-w-1085, cla military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0

Mil-std (military Standard):

Mil-w-1085 spec.
