End Application:

Los anglos class ssn (688)

Special Features:

Model no.83s44-4/spl; set pressure: 20-4000 psig; mil-v-24332, grade a: service: liquid relief; conn: 1/2in. Union

Material:

Steel comp 316

Material Specification:

A479-316 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
