Overall Height:

Between 0.235 inches and 0.265 inches

Nut Style:

Plate

Gripping Prong Quantity:

3

End Application:

F-22 raptor

Product Name:

Nut, plate

Special Features:

thread size .1640-32unc-2b; base diameter 0.750 inches plus or minus 0.015 inches; pilot height 0.250 inches plus or minus 0.015 inches; pilot diameter 0.213 inches ; prong height 0.188 inches plus or minus 0.015 inches; plate thickness 0.035

Material:

Steel comp 1008 or steel comp 1010

Material Specification:

Astm a109 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A021a0
