Hole Diameter:

0.25 inches

Outside Diameter:

0.37 inches

Material Thickness:

0.07 inches

End Application:

Mrap models

Hardness Rating:

35.0 rockwell c

Product Name:

Split lock washer

Material:

Steel

Material Specification:

Astm b18.21.1 assn standard single material response

Style Designator:

Split helical-left hand

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
