End Application:

F-22 raptor

Product Name:

Washer, serrated

Special Features:

1.780 od x .930-.940 id

Material:

Titanium alloy uns r56400

Material Specification:

Ams 4911 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
