Hole Diameter:

0.271 inches

Overall Height:

0.080 inches

Material Thickness:

0.012 inches

Environmental Protection:

Corrosion resistant

Color:

Silver

Material:

Steel comp 301

Material Specification:

Qq-s-766 federal specification all material responses

Style Designator:

Spring tension

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
