**Hole Diameter:**

0.271 inches

**Overall Height:**

0.080 inches

**Material Thickness:**

0.012 inches

**Environmental Protection:**

Corrosion resistant

**Color:**

Silver

**Material:**

Steel comp 301

**Material Specification:**

Qq-s-766 federal specification all material responses

**Style Designator:**

Spring tension

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A022b0
