Hole Diameter:

0.552 inches

Outside Diameter:

1.067 inches

Overall Height:

Between 0.045 inches and 0.055 inches

End Application:

Rq-1a predator

Special Features:

Temperature range is -30 degrees to 225 degrees f; pressure for fluids is 3, 400 psi and gases is 200 psi; rohs compliant

Color:

Black sealing element

Material:

Steel body

Surface Treatment:

Zinc body

Style Designator:

Concave

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
