Thread Direction:

Right-hand

Thread Series:

Mj

Thread Size:

6.0 millimeters

Thread Pitch In Millimeters:

1.00

Hole Configuration Style:

Configuration b

Bearing Surface Type:

Flat

Thread Tolerance Class:

4h5h internal

Material:

Iron alloy 660

Material Specification:

Ams5525 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0
