**Nut Height:**

0.380 inches

**Hole Width:**

3.500 inches

**End Application:**

Test station, elec, cass

**Width Across Flats:**

4.500 inches

**Hole Thready Qty Per Inch (tpi):**

8

**Criticality Code Justification:**

Agav

**Special Features:**

3.500-8 un-28 thd

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-225/8 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A021a0
