Hole Diameter:

Between 0.640 inches and 0.700 inches

Outside Diameter:

Between 1.290 inches and 1.380 inches

Distance Across Split Opening:

0.200 inches

Material Thickness:

0.125 inches

End Application:

Whistle contr

Product Name:

Stop, adjustment

Special Features:

Material is cress type 315; laminated stock

Material:

Stainless steel

Style Designator:

Split

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
