Hole Diameter:

Between 0.252 inches and 0.260 inches

Outside Diameter:

0.487 inches

Material Thickness:

0.062 inches

Material:

Steel comp 1006

Style Designator:

Split helical-right hand

Specification Data:

05047-b18.21.1 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
