Hole Diameter:

0.204 inches

Outside Diameter:

0.381 inches

Material Thickness:

Between 0.018 inches and 0.024 inches

End Application:

TACT-IC-ALW-ATER

Hardness Rating:

34.0 rockwell c

Special Features:

Actual matl is 410 stainless steel

Material:

Stainless steel

Style Designator:

Flat internal teeth

Supplementary Features:

4920-01-511-0092

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
