**End Application:**

6675-01-515-4610 azimuth surveying instrument

**Product Name:**

Short barrel shoulder washer

**Special Features:**

Head diameter 0.750 inch; head height 0.060 inch; barrel external diameter 0.500 inch; barrel interior diameter 0.385 inch; barrel length 0.060 inch; accommodates 0.375 inch screw

**Color:**

Natural

**Material:**

Plastic polychlorotrifluoroethylene

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A022b0
